DISCUSSIONS:

Anyone who is a member of 12th Street Workshop Online is encouraged to make their interests in taking part in the Steering Committee known, via the WhatsApp group.

It was suggested that we consider getting involved or organizing participation in an Alcathon around the November and December holiday seasons. It was noted that organizing an Alcathon is a big commitment and responsibility, so joining another online groups could be more useful, the Midnight group was suggested?

It is hoped that all members join the WhatsApp group. Additionally there is a WhatsApp group specifically for trusted servants, including all meeting hosts.

The meeting adjourned at 5:30 pm ET with the Serenity Prayer.
In attendance were 20-32 members.
